November 17, 2009

Dear Friends and Colleagues:

As President of the International Association of Commercial Administrators (IACA), I invite you to become a member, or renew your membership in the Association for 2010. If you are new to your position, or were not previously a member, this is a wonderful opportunity to join IACA and take advantage of the many benefits of membership in our association. Each jurisdiction has something valuable to add.

IACA is dedicated to the education and exchange of ideas among its world wide members. An IACA member can be anyone who works for a government agency responsible for business organization and secured transaction program areas. Our membership also includes information technology professionals who support business organization and secured transaction program areas. Emphasis is placed on greater efficiency in government and on providing superior customer service at the least possible cost.

In addition to an annual conference, IACA keeps up relationships with other key organizations, enabling you to remain aware of emerging issues and concerns. Further, IACA's website and list serves enable members to discuss topics, gather data from other members, debate issues, and remain informed about national and international developments which impact our operations and how we serve our constituents. Vibrant communications ensure that IACA remains a relevant, useful and invaluable resource for its members.

Please go to our website at [www.iaca.org](http://www.iaca.org) and select "Membership" to access the membership registration form. Please print your completed registration form and mail it with payment to the address printed on the registration form. Please submit your membership registration to IACA by December 31, 2009.

Finally, mark your calendars for the 2010 IACA conference to be held on May 23<sup>rd</sup> through May 27<sup>th</sup> in Austin, Texas! IACA members will receive a reduced conference registration fee (note that membership registration and conference registration are separate fees and are generally paid at different times). Conference registration and information will be sent to you in a separate mailing early in 2010. Also, keep an eye on the IACA website, which will be updated as conference material becomes available.

If you need additional information or assistance, please feel free to contact me or any other member of the Board of Directors. I look forward to seeing you in Austin, Texas, the "Live Music Capital of the World."

Sincerely,

Randy Moes, President  
International Association of Commercial Administrators
