Jurisdiction	Question(s)
	<p>NY is considering a redesign of its processing/filing systems for corporation and other business entity filings. At this point we would like to send a "Request for Information" to vendors and consultants. If you have utilized an outside vendor or consultant for a system redesign it would be greatly appreciated if you could provide the name and contact information for the vendor/consultant. Also, if you used an "Off the Shelf" product please provide the name of the product.</p> <p>I realize that this question is similar to one posted by Scott Anderson last April, but it would be helpful to have the vendor/consultant contact information and any new information.</p>

Nevada	Nevada used what is now Northrop Grumman Information Technology in developing our e-SoS processing system. We are no longer contracting with NGIT and have taken the system maintenance in-house. This was developed using the Nebraska UCC system as the base and expanded it to corporate and online filing functions.
