TEXAS:

Attached is a PDF file that contains the Business Entity Filings and Trademark Fees. There are some bills pending in the Legislature that would require changes to the current fee schedule should they pass and become effective (no fee increases, just the addition of new filing types and/or the elimination of certain filing types).

You may find the UCC fee schedule online:

<http://www.sos.state.tx.us/ucc/formfees.shtml>

The fee for obtaining a certificate or an apostille for other public documents (i.e., documents not filed with the Business & Commercial Filings Section of the Office, such as notarized documents, certified copies of marriage license/birth/death certificates, etc.) is \$15, unless the certificate or apostille is requested for use in adoption proceedings. If the Certificate/Apostille is requested for use in a proceeding related to an adoption, the fee is \$10.00 per Certificate/Apostille, and the total fees may not exceed \$100.00 for the adoption of each child. (Section 405.031 (a-1), Government Code)

Colleagues,

We are looking at our fee schedules and are interested in where we stand, as fees have not been changed here since 1989.

I would appreciate it if each of you could please provide me by return email (or to the listserv) with either the actual fee schedules (in a word or .pdf doc) for both your business entity filings as well as Uniform Commercial code and other lien filings that you have, or with a link to where those schedules are located on your website. Just to get this started, I have attached our Minnesota fee schedule so that you can both see our fees and also you can see the kind of fees we are looking for in your jurisdiction.

Many thanks for your cooperation.
