Dear IACA Members and Friends:

On behalf of the Board of Directors of the International Association of Commercial Administrators, I invite you to start your engines for the **Greatest Spectacle in Registries**. IACA's 43rd Annual Conference will be held in Indianapolis, Indiana from May 17-21, 2020.

The Annual Conference is IACA's keystone event for networking, collaborating and imparting best practices to filing offices. Our sessions will focus on the benefits of software quality assurance, strong relationships with service companies and cohesive branding strategies. In addition, there will be sessions that focus on solutions for combatting fraudulent filings and chargebacks, understanding the value of real time data and considering the importance of identity management. Please see the [Coming Attractions](#) document for additional details.

Indianapolis is known for its high-speed, history and good old Hoosier hospitality and we hope to give an experience you will not soon forget. To that end, we have planned several exciting evening events with the support of our partners. In addition, Wednesday evening will be a "free" night so that you may explore and enjoy Indy in whatever way you wish.

If you are interested in taking part in the **Greatest Spectacle in Racing**, [Carb Day](#) is May 22nd and the [Indy 500](#) is May 24th. This is a great opportunity to stay and enjoy the city!

For additional information or assistance, please feel free to contact me or any other member of the Board of Directors. I look forward to welcoming you to Indy!
