Dear IACA Members, Member Staff and Friends:

On behalf of the Board of Directors of the International Association of Commercial Administrators (IACA), it is my great pleasure to invite you to attend the virtual 44th Annual IACA Conference on May 11 – 13, 2021 as we **Refresh, Refocus & Redesign!** Conference sessions will address a shift in the role of the business registries.

Although we all miss being together, a virtual conference has some great benefits! Recordings of all sessions will be available to registrants following the conference. This means you do not have to decide between the concurrent section meetings – you can see them all!

To register for the conference you must be a member or member staff. To register as a member staff, you must ensure at least one person from your office is a 2021 IACA Member. Please let me know if you have questions on your membership status. If you have not yet become a member, and you want to attend the conference there is still time! Become a member here: [2021 IACA Membership Registration](#).

Register for the conference by May 7th here: [2021 IACA Conference Registration](#). When you register, we ask that one person from your office elect to be the presenter for the Roll Call so we can organize that session. The cost is \$75 per person for the conference. A draft agenda is attached and information on the [IACA Conference page](#) will be updated with additional information over the next month. The final session on May 13th is the Annual Business meeting for members and member staff only.

Please share this invitation with others from your office. We have included content beneficial to staff from the Business Services, Secured Transactions, Notary, External Affairs/Communication, Human Resources and IT Divisions. All are welcome and encouraged to register! Please reach out with any questions and I look forward to seeing you soon!

Allison DeSantis
IACA President
