

January 12, 2022

Dear Friends and Colleagues,

As President of the International Association of Commercial Administrators (IACA), I am excited to invite you to become an IACA member for 2022. If you are new to your position, or were not previously a member, this is a wonderful opportunity to join IACA and take advantage of the many membership benefits we offer.

IACA is a professional association, open to anyone who works for a government agency responsible for business organization and secured transaction registries. Membership is also open to information technology staff who support business organization or secured transaction program areas. IACA emphasizes greater government efficiency and superior customer service at the least possible cost. The Association strives to educate registry members worldwide and fosters the exchange of ideas through our website, email listserve and an annual conference. IACA membership also provides networking opportunities, access to resources and updates on industry standards.

IACA's website, [www.iaca.org](http://www.iaca.org), provides information regarding our association, allows members to obtain data from other jurisdictions, and includes conference information and materials. The email listserve fosters communication among members regarding innovative solutions and current business issues, as well as provides a forum to share ideas, information, and recommendations. The listserve help members remain informed about national and international developments that impact our operations and how we serve our constituents. In addition, IACA maintains relationships with other key organizations maximizing our collaboration between government agencies nationally and internationally.

Please follow the link to register as a 2022 member: [Membership Registration](#). Simply enter your information and payment. You will receive a detailed registration confirmation email that shows if there is an amount due and your payment options. If paying by check, please print the confirmation email and include it with your payment. Please be sure to submit your membership registration by February 1, 2022.

Annual membership dues are \$350 (U.S. Dollars) per member for U.S., Canadian and international jurisdictions. In addition, there is a \$5.00 service fee per registration.

Finally, mark your calendars for the 2022 IACA Annual Conference to be held May 15 through May 19, 2022 in Phoenix, Arizona. More information about the conference will be sent in the next month. Please remember to check the IACA website for updates as conference material becomes available.

If you need additional information or assistance, feel free to contact me or any other member of the Board of Directors. I look forward to seeing you in Phoenix this May!

Sincerely,

Tanya Gibson, President  
International Association of Commercial Administrators (IACA)
