Jurisdiction	Question(s)
	Does anyone have John Deere doing XML for UCC? If so could you send me a contact as we would like to get them to switch in Nebraska but I get no response to emails I send to the contacts I have so I am hoping someone has different contacts than the ones I use.

Good morning,

Does anyone have John Deere doing XML for UCC? If so could you send me a contact as we would like to get them to switch in Nebraska but I get no response to emails I send to the contacts I have so I am hoping someone has different contacts than the ones I use.

It was nice to put some faces with names yesterday during my first IACA conference experience. I wasn't sure what to expect with a virtual conference but I thought it worked our really well - nice job to all those who helped put it together!

Thanks,
