Additional Comments:

From Wally Boggus (Capitol Services, Inc.): Here are a couple ways I've seen this accomplished...

1. State "See addendum" in item 7 and indicate SP name in item 8 or 14 of the addendum.
2. Complete as much of item 7 as possible and end with "*" and supply the remaining part of the SP name in item 8 or 14 of the addendum.

When receiving a UCC 3 Amendment and the Secured Party is amended to include a name that does not fit in box 7a. How should the filer be instructed to proceed?

1. Add a blank form with the complete name?
2. Complete an Addendum?
