Dear IACA Members and Friends:

Re: 2019 IACA Merit Awards

The 42nd Annual IACA Conference in New Orleans, Louisiana, will be here before you know it. One of the greatest benefits of our organization is the opportunity to learn from the experience of others. Each year the International Association for Commercial Administrators (IACA) recognizes those jurisdictions who have successfully implemented an innovative change in their home jurisdiction through the presentation of the IACA Merit Awards. Do you have an example of an innovative change that was implemented in your jurisdiction? If so, we want you to share your hard work and success with the rest of us!

To be eligible to receive an IACA Merit Award:

- The applicant/jurisdiction must be (or become) an IACA member;
- The innovative change must be related, directly or indirectly, to the business of IACA members. This includes programs and/or services related to business organizations or secured transactions and the information technology that supports them;
- The innovative change must be in operation (a project which is planned or under development is not eligible);
- The innovative change must have been implemented for a minimum period of two months prior to submission of the IACA Merit Award application (this is required to ensure sufficient time to measure some actual impacts/outcomes); and
- The innovative change must not have been previously submitted by the applicant for IACA Merit Award consideration.

All applicants are asked to provide a detailed description of the innovation and its benefits, in their own format, along with the following details: Jurisdiction Name, Contact Name, Contact Title, Mailing Address, Email Address and Telephone Number. All applications must be submitted by email to mpowell@sos.texas.gov on or before April 8, 2019. Eligible applications will be evaluated on the attached criteria.

On behalf of the Board of Directors, we invite you to submit an application. Take this great opportunity to share your innovations with the registries at the annual conference in New Orleans!

Sincerely,

Mike Powell
Second Vice-President
International Association for Commercial Administrators
