

Rayne Sherman, Departmental Analyst, Direct Services Section, Michigan Department of State

Rayne Sherman currently serves as the International Programs Specialist for the Michigan Department of State, overseeing many aspects of the Uniform Commercial Code Unit. While Rayne has only been in this position since 2015, she has worked for the Department of State since 1999 in a variety of driver and vehicle related capacities. This year marks Rayne's fourth IACA conference and her second as the chair of the Secured Transactions Section.
