

Topic: Volume of "super" expedite services

	We at the Arizona Corp. Comm. are exploring how we can offer same day and next day service to our customers. We currently do offer an expedited service, with no set time frame on it. We have looked at other states as far as pricing, and I'm hoping you can give me some idea of the volume of these faster services that your customers request. For example, I know that about 86% of our LLC formations are expedited, and I'm trying to estimate what percent might go for SD or ND service. If you know the percentage of people using your same day or next day services, that would be very helpful if you shared that info.

Montana	<p>In Montana, we have 2 levels of priority service beyond our regular processing.</p> <p>Priority filings are an additional \$20 and processed within 24 hours of the time stamp or submission reaching our office. Expedited are processed within 1 hour of receipt.</p> <p>This is a service not part of the regular filing, so if the filing is rejected and they want the service again it's another \$20 or \$100 fee.</p> <p>It's a popular service, especially if the volume of regular filings goes up so we are a couple days out. Usually we receive around 100 priority/expedited filings per day in combination. I don't have the exact breakdown, but it's about 1 Expedite to 10 Priorities.</p>

Nevada	<p>Below is a list of Nevada's expedite fees. For fiscal year 2017, we collected \$2,443,912, which represents approximately 1.3% of our total Commercial Recordings revenue. Nevada has two locations, one of which is a dedicated expedite office where most of the fees are collected. The majority of the expedite fees charged were for Annual Lists and Apostilles on a 24-hour basis.</p> <table border="0" data-bbox="415 586 1102 1052"> <thead> <tr> <th></th> <th><u>1 Hour</u></th> <th><u>2 Hour</u></th> <th><u>24 Hour</u></th> <th><u>4 Hour</u></th> </tr> </thead> <tbody> <tr> <td>Business Filings</td> <td>\$1,000</td> <td>\$500</td> <td>\$125</td> <td></td> </tr> <tr> <td>Name Reservation</td> <td>\$1,000</td> <td>\$500</td> <td>\$50</td> <td></td> </tr> <tr> <td>Apostille</td> <td>\$1,000</td> <td>\$500</td> <td>\$75</td> <td>\$125</td> </tr> <tr> <td>Chg of non-commercial RA</td> <td>\$1,000</td> <td>\$500</td> <td>\$25</td> <td></td> </tr> <tr> <td>Resignation of Manager</td> <td>\$1,000</td> <td>\$500</td> <td>\$25</td> <td></td> </tr> <tr> <td>Resignation of RA</td> <td>\$1,000</td> <td>\$500</td> <td>\$25</td> <td></td> </tr> <tr> <td>Copies</td> <td>\$1,000</td> <td>\$500</td> <td>\$125</td> <td></td> </tr> </tbody> </table>		<u>1 Hour</u>	<u>2 Hour</u>	<u>24 Hour</u>	<u>4 Hour</u>	Business Filings	\$1,000	\$500	\$125		Name Reservation	\$1,000	\$500	\$50		Apostille	\$1,000	\$500	\$75	\$125	Chg of non-commercial RA	\$1,000	\$500	\$25		Resignation of Manager	\$1,000	\$500	\$25		Resignation of RA	\$1,000	\$500	\$25		Copies	\$1,000	\$500	\$125

Texas	<p>Texas does not offer tiered expedited services; we only offer one level of expedited service and have only one standard fee. We offer expedited service to documents received by mail, by fax, or to documents delivered to our office in person. Our estimated turnaround time for expedited documents is set by rule, which states that the document will be reviewed "before the close of business on the next business day following the document's date of receipt." The fee is set by statute and is currently set at \$25.</p> <p>The \$25 expedite fee is retained and deposited only when the filing is accepted and filed. By statute, expedite fees must be deposited to the General Revenue. Our estimated timeframe for processing non-expedited documents is 3-5 business days from date of receipt. In June, 9,216 documents were processed on an expedited basis. This represents approximately 38% of the total paper documents we received by mail, by fax, or by personal delivery in June. Online filings are excluded from this calculation as we don't impose or collect an expedite fee for online filings; we currently process 50% of all business entity filings online (approximately, 68% of our domestic formation filings are submitted through our online system).</p>

<p>Virginia</p>	<p>Here's a pretty good estimate extrapolated from available data. Of the business entity that we review (formation and subsequent filings, but not cancellations), which excludes Virginia corporations and LLCs that are formed through SCC eFile online in real time (that are not reviewed), about 23% are processed on an expedited basis (i.e., with payment of an expedite fee). About 16% of the expedites are submitted for Same Day service, and 84% for Next Day service.</p> <p>Of course, the more you charge for expediting, the fewer expedites you will receive.
